2022-2023 Kindergarten Enrollment Request

According to Michigan Law, if a child residing in a district is not five years of age on September 1, 2022 but will be five years of age not later than December 1, 2022, the parent or legal guardian of that child may enroll the child in kindergarten for the 2022-2023 school year if the parent or legal guardian notifies the school district in writing not later than June 1, 2022, that he or she intends to enroll the child in kindergarten. If a child becomes a resident of the district after June 1, the child's parent or legal guardian may enroll the child in kindergarten for that school year if the parent or legal guardian submits this written notification not later than August 1, 2022 under this subsection.

A school district that receives this written notification may make a recommendation to the parent or legal guardian as to whether the child is not ready to enroll in kindergarten due to the child's age or other factors. Regardless of the district recommendation, the parent or legal guardian retains the sole discretion to determine whether or not to enroll the child in kindergarten if the student is five years of age not later than December 1, 2022.

Please complete this request form and return it to the local school district office with proof of the child's date of birth no later than June 1 (new resident August 1) of 2022.
