FORWARD

This Student / Parent handbook was developed to answer many of the commonly asked questions that you and your parents may have during the course of a school year. Because the handbook also contains information about student's rights and responsibilities, each student is responsible for knowing its contents. Please take time to become familiar with the following information and keep the handbook available for you and your parents use. It can be a valuable reference during the school year and a means to avoid confusion and misunderstanding when questions arise. Should you have any questions that are not addressed in this handbook, contact your Principal or Dean of Students who is listed in the Staff Directory section of the handbook. This handbook supersedes all prior handbooks and other written or oral statements regarding any item in this handbook.

It is the policy of Walkerville Public Schools not to discriminate on the basis of race, religion, sex, age, national origin, marital status, height, weight, or handicap, in its employment as well as in its educational programs, activities, and services. The District complies with Title VI of the Civil Rights Act of 1963, Title XI of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Elliot-Larsen Civil Rights Act and all other applicable Federal and State Laws and regulations prohibiting discrimination. A formal complaint can be made in writing to the School District's Compliance Officers listed below:

Joe Conkle, Superintendent/Principal
Ashleigh Droste, Student Services Director
C/O Walkerville Public Schools 145 E. Lathrop Street Walkerville, MI 49459 (231) 873-4850

The complaint will be investigated and a response, in writing, will be given to the concerned person within 10 business days. Under no circumstances will the District threaten to retaliate against anyone who raises or files a complaint.

ASSURANCE OF COMPLIANCE

AMERICAN WITH DISABILITIES ACT- SECTION 504

The American With Disabilities Act (A.D.A.) requires the school to ensure that no individual is discriminated against on the basis of a disability. The protection applies not just to the student, but also to all individuals.

DISCIPLINE OF STUDENTS WITH DISABILITIES

Students with disabilities will be entitled to the rights and procedures afforded by the Individuals with Disabilities Education Act (I.D.E.A.) and the American with Disabilities Act (A.D.A.) or Section 504 of the Rehabilitation Act of 1973. Students with disabilities may be served within the regular education program with an accommodation plan developed by school staff. Parents, who believe their child may have a disability that substantially limits the child's ability to function properly in school, should contact the principal at 873-4850.

ACADEMIC INFORMATION

ACADEMIC RECOGNITION

Valedictorian & Salutatorian

The Walkerville Public Schools Board of Education has defined a Walkerville student as one that has attended their Freshmen through Senior years (7 consecutive semesters) when concerning Valedictorian/Salutatorian awards.

The student with the highest grade point average is chosen as Valedictorian and the second highest grade point average is chosen as the Salutatorian. The announcement of selection is made at the end of the 3rd marking period. The students will be notified by the Student Services Director or his/her designee of this honor. This information will be given to the local papers for publishing. The Valedictorian and Salutatorian will receive special recognition at the graduation ceremony.

Honor Students

Each year the top students in the Senior class with a grade point average of 3.2 or better will be announced in the local papers and given recognition at the graduation ceremony with the wearing of a gold honor cord. The students will be notified of this recognition at the end of the 3rd marking period by the Student Services Director or his/her designee. In March they must have a picture for publishing in the newspaper.

National Honor Society Students

All graduating National Honor Society students will be given recognition at the graduation ceremony with the wearing of the white honor stole. COLLEGE ADMISSION

Every student is encouraged to plan for a future which includes further education after graduation. A wide variety of educational opportunities are available and more are becoming available as our society and economy changes. Colleges, universities, technical schools, and military representatives make presentations throughout the year to our students here in Walkerville.

More information can be obtained through the Student Services Office (SSO) and by exploring the world-wide-web. Information is regularly posted on the student services bulletin board located outside the high school cafeteria and students should check that site daily.

Local scholarships such as the John Bush III Memorial Scholarship, and The Bunting Community Service Scholarship, as well as information on applying for Oceana Community Foundation scholarships can be obtained through the SSO. Additional scholarship informational sites will be posted on the Walkerville website, as well as on the SSO bulletin board throughout the year.

Students and their parents are responsible for applying to colleges or other institutions of higher learning. This also includes the process of applying for scholarships and financial aid. (Most financial aid is determined by the individual financial situation of the parents as evaluated by a "Confidential Financial Statement" completed by parents and submitted to each institution or through "FAFSA" (Free Application for Federal Student Aid.) Links for much of this activity are provided on our website.

The Student Services office is always available for helping obtain more information with this process and advising, but it is the student and their parents/guardian who are responsible for seeing that this is done.

OTHER INFORMATION

Course Descriptions, information on Career Pathways, Resumes, Employability Skills, Vocational Programs, Dual-College Enrollment, Virtual High School, Internships, School to Work Programs, and current volunteering opportunities can be obtained in the Student Services Office.

ENROLLING IN THE SCHOOL

Students that are new to Walkerville Public Schools are required to enroll with their parents or legal guardian. When enrolling the parents or legal guardian need to bring:

A birth certificate, custody papers from a court (if appropriate), proof of residency, proof of immunizations.

The principal has the discretion to determine when a temporary enrollment may be permitted. If that is done, the parents will be told what records are needed to make enrollment complete. A date of completion will be given for providing the necessary documentation.

Students enrolling from another accredited school must have an official transcript from the sending school in order to receive credit from that school. The Director of Student Services will assist in obtaining the transcript if not presented at the time of enrollment.

Eighteen year olds should declare if they are emancipated and making decisions for themselves. Adult students (18 years of age & older) may enroll themselves, but if residing with their parents, are encouraged to include them in the process. Adult students do carry the responsibilities of both the student and parent.

FINAL EXAMS

9th-12th grade classes will give final exams at the end of the first and second semesters. Student guidelines for exams state:

1. All students will take final exams with their regular classes.
2. Students who miss an exam must make arrangements with the teacher to make up the exam.
3. An exam schedule will be issued well in advance of exams for both semesters.

GRADING POLICY

Walkerville High School has a standard grading procedure, as well as additional notations that may indicate work in progress or incomplete work. The purpose of a grade is to indicate the extent to which the student has mastered age or grade appropriate learning standards. In general, students are assigned grades based upon test results, homework, and projects. Each teacher may place a different emphasis on these areas in determining a grade and will inform the students at the beginning of the course. If a student is not sure how his/her grade will be determined, he/she should ask the teacher.

It is the philosophy of Walkerville Public Schools that:

1. Students are graded in a fair and consistent manner.
2. Grades should not be used in a punitive fashion.
3. Marking period grades are to be equal factors in determining semester grades.
4. Academic achievement and classwork determine whether a student receives credit for coursework.

 - ❖ Michigan Merit Curriculum requirements are set by the legislature. WPS graduation requirements will be updated as needed to meet those requirements.
 - ❖ All online courses must be completed under the same deadlines as traditional classes (by students' last scheduled day of school).

State of Michigan allows exceptions to the MMC requirements through a process known as a Personal Curriculum (PC). The PC is a process to modify specific credit requirements and/or content expectations based on the individual learning needs of a student. For more information go to:

https://www.michigan.gov/documents/mde/PC_Implementation_Guide_Final_722088_7.pdf

Intelligence tests, speech and language evaluations, individually administered achievement tests and other special testing services are available to students needing these services. Make an appointment to see the Student Services Director.

HONOR ROLL / DEAN'S LIST FOR DUAL ENROLLMENT COLLEGE STUDENTS

Each marking period and every semester, an honor roll is calculated. The criterion to be included on the honor roll is as follows:

1. Grade Point Average of 3.0 and above (grades with + or – will be included in this average.)
2. If a student receives a “D” or an “F” as their final marking period grade they will not be included in the Honor Roll whatever their grade point may be.
3. Dual enrollment classes will not be included in determining a student's GPA; however a “D” or an “F” in a dual enrollment class will exclude that student from the high school honor roll.

INTERVENTIONS

Title I Part A – Improving Basic Programs for Walkerville Elementary

- This federally funded program helps targeted students meet high academic standards by providing supplementary instruction. The Title I staff assists teachers, parents and students with academic needs.
- We offer different means of instruction to provide assistance to students. They may receive small group or individual instruction. This program utilizes data from informal assessments to target areas of weakness.
- Title I funds purchase books and tests to supplement reading instruction for grades K – 6 as well as library book purchases.

Special Needs

Walkerville Public Schools implements and complies with the Individuals With Disabilities Act. Students with special needs are taught in the regular classroom, as well as receive applicable services from special education instructors in this district and from the West Shore Educational Service District.

NATIONAL HONOR SOCIETY

The National Honor Society is based on four principles. These principles determine member selection and membership in the society.

Leadership: Demonstrates leadership by holding offices and having a positive attitude as well as participation in school activities.

Character: Demonstrates highest standards of honesty, reliability, and cooperation as well as a concern for others.

Service: Willing to serve both the school and community when called upon

Scholarship: Demonstrates a commitment to their studies and to achieving in the area of scholarship.

Membership Selection: All Sophomore, Junior, and Senior grade point averages will be pulled at the end of the 1st semester. Students with a 3.25 G.P.A. or higher qualify in the area of Scholarship. Students who have failed a class at any time as a 9-12 grader are immediately disqualified from the National Honor Society. Students will then be evaluated by their teachers in areas of Leadership, Service, and Character. Teachers rate these students based on a four-point scale in each area. On a scale of 12, any score of nine or above qualifies the student to be evaluated by a faculty council if the student fills out a student information sheet. After the council reviews the teacher nomination forms and the student information sheet, each student is voted on. Those students who are selected are notified. They may accept or decline the selection. Students who are not selected are notified and given reasons they are not being selected. *All nominees are subject to approval from the principal prior to the student's notification.

Membership Obligations: Membership dues are \$10 annually. Members are to remain in good standing in the areas of scholarship, leadership, character, and service. Members who do not meet these obligations will be considered for probationary membership or dismissal as outlined in the National Honor Society Constitution.

NON-CONVENTIONAL CLASSES

(Distance Learning, Virtual High School, On-line, Dual Enrollment, Edgenuity, Etc.)

1. Once a student has registered for a class it must be completed.
2. Students who drop out, receive an incomplete, or fail a class will not receive grade/credit for the course. Grade point averages will be adjusted to reflect a failing grade.
3. Length of time to complete a course will coincide with semester guidelines.
4. Students that fail distance learning, virtual, or college courses will need to reimburse the school district for the cost of the course.
5. Summer School: The length of time to complete a non-conventional course will coincide with the summer school dates. Credits will reflect the grades from a course taken in the summer.
6. Students completing online coursework with 60% or better will receive credit and the corresponding letter grade will be applied to their transcript. This grade will be included in GPA, class rank and honor roll calculations.

CREDIT RECOVERY POLICY

Grades received for courses taken for credit recovery will be placed on the transcript, but the failing grade for that course will not be removed. Both scores will be part of the permanent transcript.

PROMOTION AND RETENTION POLICY

1. Students are expected to pass all courses in all grades. Teachers will apply appropriate interventions to support success.
2. Grade level placement shall be the responsibility of the building Principal, who shall consult with the Superintendent when in his/her judgment borderline cases might create controversy between parent/guardian and the school. (See Board Policy 5410)

RECOGNITION OF STUDENT ACHIEVEMENT

Students who have displayed significant achievements during the course of the year are recognized for their accomplishments. Areas that may merit recognition include, but are not limited to, academics, athletics, performing arts, citizenship and volunteerism, attendance, honor roll, etc. The staff initiates recognition for such activities.

REPORT CARDS/CONFERENCES

Students in kindergarten through grade three receive report cards with non-letter grades. Report cards are issued three times per year for students in Kindergarten through 3rd grades. Report cards are sent home in student folders for the first report card (November) and second report card (March) marking periods. The third report card (June) will be mailed to parents/guardian.

Students in grades four through 12 receive letter grades to indicate progress. Marking period report cards are issued every nine weeks for students in 4th through 12th grades. Report cards will be mailed home or given to students to take home. Progress grade reports will be made available at mid-term.

If a non-custodial parent wishes to receive copies of report cards, please call the office to make arrangements.

Report cards will be completed at the end of the marking periods, when teachers have adequate time to complete student evaluations. Parents leaving prior to the end of the marking period can have the school request the report card and other records, or the card can be mailed to a current address.

Parent/teacher conferences are held in October and February of each school year. Conferences are set up by appointment on a first come first served basis for pre-school through fifth grades. Conferences for 6th -12th grade are held on a first come first serve basis.

If you wish to speak to your child's teacher at times other than those specified, please contact the office to schedule an appointment. **Teachers will not be available during teaching time; please do not call the classroom directly.**

SCHEDULING AND ASSIGNMENT

A schedule is provided to each student at the beginning of the school year or upon enrolling. The schedule is based upon the student's needs and available class space. Any changes in a student's schedule will be handled through the High School Student Services Director or the principal. It is important to note that some courses may be denied because there is no available space or prerequisites are required. Students are expected to follow their schedule.

All requests for schedule changes must be done no later than **Friday September 8, 2023** for the 1st semester and within the first three school days of the second semester.

SPECIAL EDUCATION

Walkerville High School provides a variety of Special Education programs for students identified as having a disability by the Individuals with Disabilities Education Act (IDEA).

A student can access Special Education services through the proper evaluation and placement procedure. Parent involvement in this procedure is required. More importantly, the school wants the parent to be an active participant. To inquire about the procedure or programs, a parent should contact the principal or special education teacher at 873-4850.

SPECIAL NEEDS CURRICULUM

Alternative curriculum and/or modifications to the regular curriculum will be made for those students who have been identified by testing through the West Shore Educational Service District (WSESD) as needing an alternate education. Students unable to complete the required specific courses of the Michigan Merit Curriculum, but complete the number of credits necessary, will be offered a certificate of completion in lieu of a diploma.

Students in this program will be given an Individual Education Plan (IEP), with goals determined by the Teacher, Principal, Parent, and ESD Psychologist.

STUDENT ASSESSMENT

State required standardized tests will be given to 3rd-10th grade students once per year or as state requirements permit. All students will be required to take various standardized assessments measuring student growth.

NWEA tests are given to students in grades K-10 in the fall, winter and spring.

WIDA is given to students who enroll in the spring. Eligibility is based upon the Home Language Survey.

11th grade students will be taking the SAT which consists of several component assessments, which include:

- The SAT (including the writing component)
- WorkKeys Applied Mathematics and Reading Assessment
- Michigan-developed assessments (Science, Social Studies, English Language Arts, Mathematics) MSTEP

8th, 9th, and 10th graders (if dual enrollment) may either be taking the PSAT or Accuplacer.

STUDENT CLASSIFICATION

Completing required course work, earning the necessary credits, and passing the proficiency tests determine a Student's progress toward graduation and receiving a diploma. A student is only promoted when the necessary requirements are met or the student has completed the goals and objectives of an Individual Educational Plan (I.E.P.). It is the student's responsibility to keep in contact with the Student Services Director and teachers to ensure that all requirements are being met. Information about credit and course requirements is available in the Student Services office and the Student Services Director will be pleased to answer any questions. When a student appears to be at risk of failure, the teacher will notify the parent/guardian so a meeting or discussion can be arranged to determine necessary changes in an effort to promote the student's success.

STUDENT COUNCIL

The purpose of the Student Council is to help students gain practice in good citizenship, promote harmonious relations throughout the school, improve student-teacher relations, assist in management of the school, provide a forum for student expression, and promote the general welfare of the school. This Council is established for the purpose of service to the Student Body of Walkerville Schools and representation of the Student Body before the Faculty, Staff, Administration, Board of School Directors, and Community of Walkerville.

The school has 12 elected officers, two from each class (7-12 grade). The Officers of the Council will be elected from the Student Body, in a popular election by the Student Body in May of the previous school year.

The candidates for office must have a minimum Grade Point Average of 3.0 and must meet all school eligibility requirements for participation in extracurricular activities. Officers must be in grades nine through twelve when serving in the offices of Secretary or Treasurer, grades eleven or twelve when serving in the office of Vice President, and grade twelve when serving in the office of President.

An Officer of the Council may be removed only by the decision of the Administration and the Faculty Advisor, and only if found in violation of the eligibility requirements for office, if found in violation of the school code of conduct, or found ineligible for participation in school extracurricular activities.

Member Responsibilities: Each member is required to attend all Student Council meetings and functions as well as be an active part of the organization, planning, and running of all Homecoming festivities. Also, participating fully in every activity sponsored by Student Council, presenting appropriate school spirit, and being an example in our school.

TESTING

Walkerville students participate in all testing as required by the State of Michigan, as well as a variety of other tests as deemed necessary by teachers, and other professionals involved with each student on an individual basis.

Michigan Student Test of Educational Progress (M-STEP) testing occurs yearly to determine our student academic progress and compare those results with other students across the state of Michigan. Third through 11th grade students participate in this testing. Not all students test on the same schedule. Students are encouraged NOT to miss school on those days in particular. Please schedule appointments around these days to accommodate everyone. Thank you!

High school juniors take the SAT every spring. The SAT or another "out-of-state" equivalent testing program is required for graduation. This test is required by many colleges for admittance and is given at no cost to our students. Should students wish to retest at a later date, to improve their scores, parents will need to cover the cost of retesting.

Other tests such as the ASVAB (required for admittance to the military) and the ACT may be available in the area and students will be advised of their availability.

Parents are advised of testing schedules and asked to help their student be prepared by getting a good night's rest, eating breakfast, appropriate dress for the weather and getting to school on time!

ATTENDANCE POLICY

Regular and punctual attendance is required of all students to ensure their educational growth and development. No amount of make-up work can be as meaningful as attending class. A quality education depends upon regular attendance. If your child must be absent, please call the office on the day of the absence or send a note from the parent/guardian when the student returns to school explaining the absence. Failure to notify the school will result in an unexcused absence.

Special trips or family vacations should be planned during vacation periods and weekends so that the school program can proceed without unnecessary interruption. If parents/guardians choose to take their student out of scheduled school programs they need to realize that they could be placing the student at an academic disadvantage.

The following are attendance guidelines:

Attendance will be taken twice daily (immediately after the bell to begin morning classes and immediately after lunch) for grades K-2. The classroom teacher will calculate student absences on a half-day basis. Students that arrive after 9:10 AM will be counted absent for ½ day. Students that arrive after 12:30 will be counted as a full day absent. Students leaving before 2:00 will be counted as ½ day absent. Students will be responsible for making up missed assignments due to absences.

Attendance will be taken hourly for students in 3rd-12th.

The school is required to enforce the compulsory education laws of this state ***and will be working in with the county law enforcement and court systems on the Oceana County Truancy Reduction Initiative.***

OCEANA COUNTY TRUANCY REDUCATION INITIATIVE

I. INTRODUCTION

- Truancy is repeated absence from school without valid excuse.
- A valid excuse must be documented in writing by a doctor, agency, or parent.
- Repeated absences, which can include an absence reported by a parent, may be considered unexcused if not supported by a justifiable valid written excuse.

II. TRUANCY ENFORCEMENT GOALS

- To improve student attendance
- Ensure an education for every child
- To reduce juvenile crime
- To increase parent involvement and accountability
- Put services in place to help the student/family
- Uniform enforcement throughout the E.S.D.

III. MUTUAL BENEFITS TO THE STUDENTS AND COMMUNITY

A sound education is one of the most important and fundamental services to be provided to our children. To be effective, a multi-disciplinary initiative must occur between students, parents, schools, law enforcement, the court and the community at large. The mutual benefit to be realized by both the student and community include:

- Decrease in Crime
- Fewer Victims
- Cost savings to law enforcement, Prosecutor's Office, Courts and Corrections, and the Community at large.
- Welfare costs decrease
- Students may seek a higher education
- More productive citizens

IV. OVERVIEW

Consistent with Michigan law, filing a petition with the court on a child for truancy should be the last resort to resolve truant and/or behavioral problems experienced with the child.

1. The first level of intervention is comprehensive local school action, and is intended to address repeated absenteeism, failure in school work, and behavioral problems. Before filing a truancy petition, the following procedures should be followed:
 - a. Conferences should be held between the teacher, principal, and parents. (MCL 380.1586)
 - b. If the parents fail to appear for a conference scheduled by the school, then the school should request the attendance administrator to notify the parent by mail or personal service to come to the school at a time specified to discuss the child's irregularity in attendance.
 - c. After such a conference (or if the parents fail to appear for such a conference) if the child fails to show up for school, the attendance administrator should give notice in person requiring the child to appear at school on the next regular school day, following the receipt of notice, and to continue in regular and consecutive attendance in school. (MCL 380.1587)
 - d. If the above efforts prove unsuccessful, then proceed to Level II, and refer the matter to law enforcement.
2. The second level of intervention provides for a referral to law enforcement with a request for appropriate legal action. Upon review by the Prosecuting Attorney, appropriate legal actions may include, as appropriate:
 - a. Filing a petition in juvenile court against the child for truancy
 - b. Issuing a warrant against the parent, charging the parent in District court for failure to send the child to the public school.
3. The third level of intervention occurs when the Court obtains jurisdiction over the juvenile or parent by adjudicating the child or parent responsible or guilty of the respective offense, and orders the appropriate sanctions.

V. EXCUSED / UNEXCUSED ABSENCE

Absenteeism from school will be identified as either excused or unexcused.

1. An excused absence will not count toward being truant and may consist of the following:
 - a. A prearranged absence approved by the school.
 - b. A written statement or document from a doctor, dentist, counselor, or health or mental health professional or other agency justifying the absence.
 - c. A written statement from a parent stating a justifiable reason why the child is absent, provided that absences documented by parental authority shall be limited to five (5) per school year. Parental documented absences above five per school year shall be considered excessive and constitute an unexcused absence and will be counted for truancy purposes.
2. Unexcused absences are all other absences not provided for above.
3. Attendance will be evaluated based upon the entire school year, including previous and current school district enrollment.

Truancy Enforcement Policy

The adoption of this Truancy Enforcement Policy is intended to create and facilitate an efficient and uniform response regarding truancy enforcement action.

Recognizing each school district may establish what is or is not an excused absence; it is only unexcused absences that are counted for truancy. Therefore, a uniform standard in this regard, if adopted by the school districts in Oceana County, would greatly enhance efficient and consistent enforcement action against truancy. Therefore, all schools within the Oceana school district will

develop and maintain the same definition for excused absences and unexcused absences incorporating “excused” absences as unexcused after five occurrences, unless for an approved and listed reason.

All the schools will continue the count of absences from the other schools within the district in the event a truant student transferring. If the student has ten absences at Walkerville and transfers to Hart, his/her absences will not start over. The absences shall be counted as per student/per year, not per school to fall under truancy petitions.

It is understood that the school attendance administrator shall be selected pursuant to MCL 380.1571 and are separate and distinct from a law enforcement police officer as set forth herein.

Level I – Local School Intervention

A. The school attendance administrator shall:

- Track and document history of attendance for entire school year.
- Identify the nature of absences (illness, behavioral/suspension, lice, etc).
- Evaluate the classification of student and identify any special needs (EI, LD, EMI, etc).
- Determine if the student is achieving passing grades.
- Apply early prevention measures.
- Discuss the truancy concerns with the student and parents.
- Speak to parents and student about corrective attendance measures.
- Schedule meetings with school administrator or principal, school counselor, school social worker, etc.
- Make appropriate community service agency referrals.
- Upon reaching 5 unexcused absences the school attendance officer will send a letter by first class mail, advising the parents and student of the truant status and direct that the child immediately and regularly attend school without any further absences. The school will continue the intervention efforts described above.
- Upon 10 unexcused absences, the school attendance administrator will send by mail a second letter advising the parents and student of the truant status and direct that the child immediately and regularly attend school without any further absences. A sheriff deputy or local police officer will also be requested to personally serve the parents with a copy of this letter. A copy of the 5/10 letters will be sent to the Assistant Prosecuting Attorney’s office. The school will continue the intervention efforts described above.
- The 5/10 day letters must identify the name, address and date of birth of the student and the number of days of unexcused absences.

Level II – Referral to Prosecuting Attorney

A. The school attendance administrator shall:

- If a student then reaches 11 or more unexcused absences for the entire calendar year, the school attendance administrator will refer the matter to the local police for submission to the Prosecuting Attorney.
- The referral shall include a referral form packet consisting of the information identified below:
 1. The truancy referral form completely filled out and signed.
 2. Copy of the 5 day letter.
 3. Copy of the 10 day letter.
 4. Up-to-date record of attendance.
 5. Grades and report cards.
 6. A complete written summary of all school intervention actions including conferences, counseling efforts, medical concerns and community service referrals.
 7. A complete log of communications regarding the truancy issues.
 8. A non-binding written opinion include on referral form as to whether the more effective legal action should be on the child/youth, parent(s)/guardian or both.
 9. If the referral packet is incomplete, it will be returned to the school attendance administrator who shall provide the required information.

B. The referral packet will specifically be requesting further legal action be taken by the Prosecuting Attorney and state that the school has exhausted its resources.

C. The Prosecutor’s Options upon receipt of completed referral packet:

1. Request a petition against the juvenile for truancy for the purpose of enforcing the compulsory attendance laws. Submit the petition to the Family Court for scheduling a pretrial conference. A Probation Officer will be assigned to the case. At the pretrial institute a "Social Justice Juvenile Program Agreement" to defer further court action during the pendency of the agreement. Upon successful completion of the agreement conditions outlined the petition will be dismissed.
2. Upon unsuccessful compliance with the Social Justice Juvenile Program Agreement the petition will proceed for further formal court action.
3. Request a criminal warrant against the parent for failure to send the child to public school pursuant to MCL 380.1561;

May request formal court action if the youth has an open delinquency case or prior to court involvement.

Level III – Court Action

- A. Upon receipt of the petition for truancy the Court will open a case, assign a probation officer, schedule a pretrial conference and meet with the Prosecutor, Youth and Family to review and sign the Social Justice Juvenile Program Agreement at the pretrial. The Probation Officer will monitor the agreement and report success/failure to the Prosecutor.
- B. Upon successful completion of the agreement the Probation Officer will request termination of the petition.
- C. Upon failure to comply with the agreement the Probation Officer will request a subsequent hearing be held for further court action.
- D. Upon adjudication of a juvenile for truancy, or upon conviction of a parent for either failing to send the child to school or for educational neglect, the court then has the authority to draft orders designed to maintain the child in school, including, but not limited to the following:
 1. Mandatory attendance of the child.
 2. Mandatory attendance of parent and child to insure daily attendance of the child.
 3. Fines and court costs.
 4. Regarding the parent, possible jail time.
 5. Such other action as the Court may deem appropriate including probationary services.

Effective Date May 2016 Approved as to Form and Content: Judge Bradley Lambrix / Prosecutor Joe Bizon

ADDITIONAL GUIDELINES

1. All students must attend a full schedule of classes on WPS campus unless categorized as a non-conventional student (as described on pages 10)
2. Absences that may not be included in the students total:
 - a. School related absences (field trips, athletic events, club meetings, pre-arranged college visitations and other school functions.) Students not going on field trips and/or class trips will be required to be in attendance at school in their normal classes.
 - b. Extended Illness. To be determined on a case-by-case basis with doctor/dentist documentation containing the diagnosis of the illness and the specific dates that the student could not be in school. In the event of a long-term illness Walkerville Public Schools must be notified so that they present options to the parent/guardian, i.e. homebound services, etc.
 - c. Court Appointments. There must be documentation from the court containing the arrival and departure time of the student.
3. If, at any time during the day, a student finds it necessary to leave the property, the student must obtain permission from office personnel and a parent or guardian and enter his/her name and destination on a sign out sheet. Leaving school property without authorization may result in a one-day suspension from school. Students are not to leave school property during or between classes. Students must sign out at the attendance office and sign in when they return. Failure to follow this procedure may result in a disciplinary action.
4. Students will not be released from school to take or transport other students to or from school without office and parental permission.
5. Students enrolled in a dual enrollment/distance learning/CTE class will not be required to report to the high school during the hours that their class is not scheduled.
6. Students who are enrolled and scheduled for classes are expected to be in attendance on the first day of school. If enrolling after the first day of school, students are expected to be in school on the date assigned by the office. Absences will accumulate from the day students are scheduled to begin.

ABSENCES / MAKE-UP WORK

Students with absences that are not school-related or pre-approved have two days for every day absent in which to turn in the work missed. An exception is a student who is absent (excused or unexcused) only on the day of a test. A student should be prepared to take the test on the day he/she returns.

In order to keep interruptions to instruction to a minimum, requests for makeup work require 24 hour notice. The 24 hours will begin at the close of the day the request was made. For example, if you call on Monday at 11:00 am, work should be available by 4:00pm on Tuesday afternoon.

HOMEBOUND SCHOOLING FOR EXTENDED ABSENCES

Students who are experiencing or will be experiencing an excused absence for a long period of time, generally, illness, may be eligible for homebound schooling. It is the parent/guardian, or student's responsibility to contact the school as soon as they are aware these conditions exist. Homebound students are NOT counted as absent from school.

PRE-ARRANGED ABSENCES

Parents may elect to take students out of school for two or more consecutive days for family trips, medical appointments, etc. Administrative approval is necessary to insure adherence to the credit and attendance policy.

The following procedures must be adhered to:

1. Students should pick up a pre-arranged absence form in the office. It should be completed and returned to the office a minimum of 48 hours in advance.
2. Students should present the form to each of their teachers. The teachers will sign the form indicating they are aware of the approaching absence. Teacher signature does not constitute permission for the absence.
3. The student then takes the completed form home for parent signature.
4. After all parties (student, teacher, and parent) complete the form, the completed form is turned into the office for approval or disapproval by the administration.
5. The student should check with the office the following day to verify approval of pre-arranged absence request.
6. These prearranged absences are treated as any other excused absences and fall under the absence limitations guidelines.

TARDIES

Tardies are defined as arriving at school after instruction has begun. Students arriving after 8:30 must sign in at the office and receive a late pass.

Missed class work will be made up at the discretion of the classroom teacher. The administration reserves the right to take alternative actions as necessary.

Tardies will be dealt with as follows:

- 1st offense - lunch detention and parent contact
- 2nd offense - after school detention and parent contact
- 3rd offense - Saturday school and parent contact
- 4th offense - suspension for one day

EARLY DISMISSAL/LATE ARRIVAL

School begins at 8:30 and ends at 3:15; Walkerville Schools strongly discourages parents from picking up children early from school, as valuable instruction time is lost! Please attempt to schedule dental or doctor appointments after school hours. If this cannot be avoided, please call the school or send a note with your child indicating the time of early pick-up, and stop at the office and sign your child out.

STUDENT INFORMATION

ADVERTISING OUTSIDE ACTIVITIES

No announcements or posting of outside activities will be permitted without the approval of the principal. The school has a central bulletin board located in the hallway that may be used for posting notices after receiving permission from the Principal.

ANNOUNCEMENTS

Any item, which is to appear in the announcements, must be given to the office secretary by 2:00 p.m. prior to the day they are to be in the announcements. Students and staff are responsible for the information covered in the daily announcements.

ATHLETICS

All students who chose to participate in any athletic program are required to follow all rules and regulations in the Athletic portion of this handbook (pages 34-39).

CELL PHONE USE

Cell phones are to be turned off and locked in school lockers during the school day.

The school prohibits the use of any video device from any restroom, locker room or other location where students and staff “have a reasonable expectation of privacy.” A student improperly using any device to take or transmit images will face disciplinary action up to and including a long-term suspension, loss of privileges, and may be recommended for expulsion.

1ST OFFENSE: Cell phone or ECD confiscated by staff member. Device returned to student at the end of the class period.

2ND OFFENSE: Cell phone or ECD confiscated by staff member and turned in to the office. Device returned to student at the end of the day.

3RD OFFENSE: Cell phone or ECD confiscated by staff member and turned in to the office. Device must be picked up by parent.

Refusal to surrender the phone or ECD will automatically result in an out-of-school suspension for insubordination.

CLOSED CAMPUS

Walkerville High School and Middle School operates a closed-campus philosophy. All students are restricted to the building and/or certain designated campus areas during the school day, including lunch hour.

1. Students who ride buses are considered to be on campus once they are picked up from the stop. Students walking, driving, or riding in cars are considered on property when on and around school property.
2. During the school day, students are expected to remain on campus once they arrive.
3. During lunch period, students are restricted to the high school wing (not beyond double doors), and designated areas.
4. All parking lots are off-limits to students. Any unauthorized students found in any parking lots will be considered as being off-campus.
5. Non-students are not allowed to be on campus during the school day except for official school business.
6. Students violating the closed-campus restriction will be subject to disciplinary action.
7. During athletic contests students must remain in the building or will be required to pay upon reentry.
8. Students are not allowed to sign themselves out (regardless of age) without permission from their parent/guardian or Principal.

Students will be charged a reasonable amount not to exceed the replacement value for damage to or loss of any issued articles of school owned equipment, clothing, books, or materials.

DRESS CODE

In an effort to prepare students for employability standards of attire, Walkerville Schools wishes to define specific parameters of dress. The intent of the dress code is to ensure education takes place without distractions.

Students should dress in a common sense manner and are expected to consider their school grooming and dress pattern as complimentary to their education and conducive to a learning and work environment. A standard of dress which clearly deals with the health and safety of students will be upheld (i.e. profanity, vulgarity, obscenity, drug, tobacco, or alcohol use, gang-related are not permissible.)

Determination of inappropriate clothing will be at the discretion of the principal or his designee.

DUE PROCESS RIGHTS

Before a student may be suspended or expelled from school, there are specific procedures that must be followed.

A. Suspension from School

When a student is being considered for a suspension of ten days or less, the administrator in charge will notify the student of the charges. The student will then be given an opportunity to explain his/her side. The administrator will then provide the student with evidence supporting the charges. After that informal hearing, the principal will make a decision whether or not to suspend. If a student is suspended, his/his parents will be notified. Students may be given the option to attend an alternative education opportunity.

When a student is suspended, he/she must make up work missed. A student being considered for suspension of more than 10 days will be given due process as described in the expulsion section below.

B. Expulsion from School

When a student is being considered for expulsion, the student will receive a formal letter of notification addressed to the parents which will contain:

- The charge and related evidence
- The time and place of the board meeting
- The length of the recommended expulsion
- A brief description of the hearing procedure

Students may bring the following to the hearing:

- parents, guardians, or counsel
- testimony, evidence, and a defense
- school personnel who were party to the action or accused the student of the infraction

A student being considered for expulsion may be immediately removed from school. A formal hearing is scheduled with the Board of Education during which the student may be represented by his/her parents. Legal counsel, or by a person of his/her choice. Within ten days after notification of the expulsion, the expulsion can be appealed, in writing, to the Board of Education. The appeal will also be formal in nature to the sworn testimony before officials designated by the Board of Education. Again, the right to representation is available. All opportunity to earn grades or credits ends when a student is expelled.

Walkerville High School makes a sincere effort to have disciplinary actions take place that will allow the student to remain in school. If a disciplinary action does not result in removal from school, it is not appealable. Should a student or parents have questions regarding the propriety of an in-school disciplinary action, they should contact the principal.

EQUIPMENT / FACILITIES

Students must receive permission of the teacher before using any equipment or materials in the classroom and the permission of the principal to use any other school equipment or facility. Students will be held responsible for the proper use and safe keeping of any equipment or facility they are allowed to use.

FUNDS, STUDENT ACTIVITY

All funds earned by the classes and other student clubs and organizations are quasi-public funds and, as such, are subject, to the control and direction of the Board of Education in the same manner as all other public funds.

Written orders on activity funds will be honored only when the account involved has a sufficient balance to cover the expenditure. (The advisor/sponsor, treasurer, and student signing any written order are responsible for balancing that account.) The Walkerville Board of Education will use all unobligated funds remaining in the account of a class after graduation or in the account of a club or organization after it has been inactive for a period of one school year, as it sees fit. The procedure for making purchases for classes, clubs, or organizations is:

1. Obtain a written order from the involved treasurer, signed by the treasurer, sponsor/advisor, and students.
2. Submit this order to the office.
3. The office will write a check for the amount of the order to the vendor.
4. In an emergency: secure a verbal permission from the sponsor/advisor, treasurer, or students to pay for the purchase from pocket cash and get a receipt.

FUNDRAISING BY STUDENTS AND STUDENT ORGANIZATIONS

1. The Board of Education recognizes that fund raising by students may, on occasion, serve legitimate educational goals.
2. All fund raising activities carried out by classes, clubs, and other school-sponsored organizations must have the advance approval of the principal.
3. No student is permitted to sell any item or service without the approval of the principal. Violation of this may lead to disciplinary action.

LOCKERS

Students have no reasonable expectation of privacy in any school locker, desk, or storage area. Lockers are the property of the school; they are loaned to the students. Each student is assigned a locker, which should be kept clean, neat, securely closed. Lockers are not to be shared. Students are to remain in the lockers they are assigned unless permission to change has been granted from the office. The principal is in charge of lockers and it should be kept in mind that the principal or any staff members delegated by him or her has the right to inspect a locker at any time, including using such means as a canine unit to detect illegal substances. Students who vandalize lockers or use them for storage of illegal or prohibited substances will be denied the use of locker space. The school is NOT responsible for possessions stored in the lockers. Valuables may be checked into the office for safekeeping. Students should not keep money or valuables in school lockers. The school is NOT responsible for money or valuables left in lockers.

LOST AND FOUND

The lost and found area is in the middle/high school office. Students who have lost items should check there and may retrieve their items if they give a proper description. Unclaimed items will be given to charity at the close of the school year.

LUNCH PERIOD / MEAL SERVICES

Walkerville Public School participates in the National School Lunch Community Eligibility Program. Lunch and breakfast are available to students at no cost. Seconds or additional items are sometimes available at a rate set by the Food Service Department and must be paid for at point of service. Students may also bring their own lunch to school and eat it in the school's cafeteria. Students will receive identification cards. The student number on these cards should be used when receiving breakfast and lunch in the cafeteria.

We require that a Household Information Survey is filled out and signed, which is needed for administrative purposes, not to determine eligibility. This survey allows our school to benefit from various State and Federal supplemental programs like Title I A, At Risk (31a), Title II A, E- Rate, etc. This survey is critical in determining the amount of money the school receives from a variety of supplemental programs. All information on the survey submitted is confidential. Without your assistance, the school cannot maximize utilization of available State and Federal funds.

MOTOR VEHICLES

1. Students will not be allowed to enter or occupy any vehicle during the school day unless permission has been granted by the principal's office.
2. Careless use of automobiles or other motor vehicles will result in disciplinary action.
3. Violation of any of the motor vehicle regulations may result in the loss of a student's driving privilege, detention, or suspension.
4. Park in designated parking lot only. Front row of high school parking lot is reserved for staff and/or visitors.
5. Students must park in the school parking lot.

POP/FOOD

1. For safety sake, glass bottles are not to be brought in the building. Water is encouraged.
2. Pop/food will not be allowed in the classrooms at the teachers discretion..
3. All beverages/food are prohibited at computer workstations.

RELIGIOUS INSTRUCTION

Under the public law of Michigan, schools are required to release students for religious instruction if the parents request such a release. Pupils excused for such instruction will be listed in advance for teachers. Those students are not to be counted tardy or absent during the time missed from classes.

SEARCH AND SEIZURE

Search of a student and his/her possessions, including vehicles, may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is reasonable suspicion that the student is in violation of law and school rules. A search may also be conducted to protect the safety of others. All searches may be conducted with or without the student's consent.

Students are provided lockers, desks, and other equipment in which to store materials. It should be clearly understood that this equipment is the property of the school and may be searched at any time. Locks are to prevent theft, not to prevent searches.

Anything that is found in the course of a search that may be evidence of a violation of school rules or the law may be taken and held or turned over to the police. The school reserves the right not to return items that have been confiscated.

TELEPHONES

Classroom phones are not to be used for personal calls. Except in an emergency, students will not be called to the office to receive a telephone call.

TRANSFER/WITHDRAWAL OUT OF THE DISTRICT

If a student plans to transfer from Walkerville Public Schools, the parent must notify the Principal. Transfers will be authorized only after the student has completed the arrangements, returned all school materials, and paid any fees or fines that are due. School records may not be released if the transfer is not properly completed. Parents are encouraged to contact the school secretary for specific check out lists. Parents are required to sign the withdrawal form in order to complete the withdrawal process.

VISITORS/GUEST STUDENTS

Visitors, particularly parents, are welcome at the school. In order to properly monitor the safety of students and staff, each visitor must report to the office upon entering the school to obtain a pass. Any visitor found in the building without a pass shall be reported to the principal. If a person wishes to confer with a member of the staff, she/he should call for an appointment prior to coming to the school, in order to prevent any inconvenience. Students may not bring visitors to school without first obtaining permission from the Principal.

A student who is requesting a visitor come to school must complete a visitor request form at least one day in advance. This includes getting signatures from all students' teachers and approval from the principal. Verbal parental consent of the visiting student must be given to the office prior to getting required signatures on this form. This form must be complete in order to receive a visitor pass.

WEAPON FREE SCHOOL ZONE POLICY

A. Expulsion:

The Board of Education of Walkerville School District, as both employer and a public school district, is concerned with and interested in protecting the health, safety, and welfare of students, employees, and visitors. The Board recognizes that individuals possessing weapons and / or dangerous weapons best utilize school buildings, facilities, vehicles, grounds, and other school property in the educational process in the absence of threats to physical well being and safety.

Accordingly, the Board (or the superintendent, a principal or other District official as may be designated by the Board) shall permanently expel a student from attending school in the District, if the student possesses a dangerous weapon or commits arson or criminal sexual conduct in a weapon free school zone. Such expulsion is mandatory, unless the student establishes, in a clear and convincing manner, at least one of the following:

1. That the object or instrument possessed by the student was not possessed for use as a weapon, or for direct or indirect delivery to another person for use as a weapon;
2. The weapon was not knowingly possessed by the student;
3. The student did not know or have reason to know that the object or the instrument possessed by the student constituted a weapon or dangerous weapon;
4. That the weapon was possessed by the student at the suggestion, request, or direction of, or with the express permission of school or police authorities.

B. Recordation and Referral:

All expulsions pursuant to this policy shall be entered and preserved on the student's individual permanent record. The District shall immediately report any incident involving the possession of a weapon or dangerous weapon on school property, in writing, to the student's parent or legal guardian (if the pupil is un-emancipated) and to the local law enforcement agency.

The District shall within three days of expulsion, refer the expelled student to the appropriate county department of social services or county community mental health agency. The District shall also notify the student's parent/legal guardian or (if the pupil is emancipated) notify the expelled student of the referral. The District shall also refer, for prosecution, conduct by a student which is believed to violate state or federal laws establishing weapon-free or gun-free school zones.

C. Petitions for Reinstatement:

Students expelled pursuant to this policy (or their parent/legal guardian if the student is not emancipated) may petition the Board for reinstatement to school. A student in sixth grade or above at the time of expulsion may apply for reinstatement after a 150 school day expulsion period and may be reinstated 180 school days from the date of the expulsion. A student in fifth grade or below who is found to have possessed a firearm or threatened another person with a dangerous weapon must wait 60 school days to apply for reinstatement and 90 school days to be reinstated. A student in fifth grade or below who is expelled for any other reason under the law (other than possession of a firearm or threatening another with a dangerous weapon) may apply for reinstatement at any time and may be reinstated within (10) school days from the expulsion date. While the District must supply the reinstatement petition if requested, it need not provide any assistance with the petition's preparation. The petitioner shall provide an authorization and release for the Board and its designated committee to request, receive, and review all student records and student record information maintained by any public or private school, which the petitioning student has attended. If such records are already in the possession of the District, the parent/ legal guardian or student (if emancipated) shall furnish written authorization for review of it by the committee and Board members.

Upon receipt of a petition for reinstatement, the District shall do the following:

1. Not later than ten (10) school days after receiving a petition for reinstatement, the Board shall appoint a committee to review the petition and any supporting information submitted by the parent/legal guardian (if the expelled student is un-emancipated) or from the expelled student;
2. The committee shall consist of two (2) Board members, one (1) school administrator, one (1) teacher, and one (1) parent of a student attending the District;
3. Not later than ten (10) school days after all members are appointed, the committee shall review the petition and any supporting information, including any information provided by the District, and shall submit a recommendation to the Board on the issue of reinstatement.
4. The recommendation of the committee shall be for unconditional reinstatement, for conditional reinstatement, or against reinstatement, and shall be accompanied by an explanation of the reasons for the recommendation and of any recommended conditions for reinstatement;

D. Criteria for Reinstatement:

The designated committee and the Board shall consider at least the following factors when a petition for reinstatement is submitted:

1. Whether the reinstatement would create a risk of harm to other students or school personnel;
2. Whether reinstatement would create a risk of liability for the District or Board or District personnel;
3. The age and maturity of the expelled student;
4. The expelled student's prior school record;
5. The expelled student's attitude concerning the incident;
6. The expelled student's behavior since expulsion and the prospects for remediation;
7. The degree of cooperation and support from the expelled student's parent/legal guardian (if the petition was filed by a parent/legal guardian), including receptiveness toward reinstatement.

Petitions for reinstatement from students expelled by another District shall not be processed if that student has not first submitted a petition for reinstatement to the expelling Board of Education. The District will only consider reinstatement, to the denial of the student's petition for reinstatement by the expelling Board of Education.

E. Conditions of Reinstatement:

The Board may require an expelled student (and if the petition was filed by a parent/legal guardian) to agree in writing to specific conditions before reinstating the student. These conditions may include, but are not limited to, the following:

EXTRA CURRICULAR ACTIVITIES

NON-SPONSORED CLUBS AND ACTIVITIES

Non-sponsored students groups organized for religious, political, or philosophical reasons may meet during non-instructional hours. The application for permission can be obtained from the principal. The application must verify that students are initiating the activity; attendance is voluntary, that no school activities and those non-school persons do not play a regular role in the event. School rules will apply regarding behavior and equal opportunity to participate.

Membership in any fraternity, sorority, or any other secret society as prescribed by law is NOT permitted. All groups must comply with school rules and must provide equal opportunity to participate. A non-district sponsored organization may not use the name of the school or school mascot.

SCHOOL SPONSORED CLUBS AND ACTIVITIES

The school has many student groups that are authorized by the school. It is the district's policy that the only authorized groups are those approved by the Board of Education and sponsored by a staff member or registered member of the volunteer committee. School sponsored clubs are encouraged to perform some type of community service during the school year.

SCHOOL SPONSORED EVENTS

Parties and Dances – The Principal must approve all specifics of parties and/or dances, which should be included on a building use form. All school parties must be sponsored by a class or organization and are under the direction of the sponsor/advisor of that group or by a registered volunteer of the Walkerville Public Schools. EMERGENCIES

EMERGENCY CLOSING AND DELAYS

If the school must be closed or the opening be delayed because of inclement weather or other conditions, the school will notify the following television stations:

Television Stations: WZZM- Channel 13, WWTV- Channel 9&10, WPBM- Channel 7&4

In addition to the announcements via local television, a PowerAnnouncement will be made; please make sure your contact information is up to date.

Announcements will also be posted on social media at: [fb/walkervillepublicschools](https://www.facebook.com/walkervillepublicschools)

Parents and students are responsible for knowing about emergency closings and delays.

FIRE / TORNADO / LOCKDOWN DRILLS

The school complies with all fire safety laws and will conduct fire drills in accordance with state law. Specific instructions on how to proceed will be provided to student by their teachers who will be responsible for safe, prompt, and orderly evacuation of the building.

Tornado drills will be conducted during the tornado season using procedures provided by the State. The alarm system for tornados is different from the alarm for fires and is posted in each classroom.

Lockdown drills will be conducted periodically throughout the school year using procedures developed by the district. An announcement will be made over the phone system indicating the lockdown drill.

HEALTH AND SAFETY

Student safety is a responsibility of the students and staff. All staff members are familiar with emergency procedures for fire and tornado drills and accident reporting procedures. Should a student be aware of any dangerous situation or accident, she / he should notify any staff person, immediately.

State law requires that each student must have an emergency medical card completed, signed by a parent or guardian, and filed with the school office. A student may be excluded from school until the requirement has been fulfilled.

Students with specific health care needs should submit those needs in writing and with proper documentation by a physician to the school office. All medications prescribed and non-prescribed, are to be delivered to the school secretary and taken only with adult supervision. The principal or secretary is available to discuss the procedure for medication and treatments. No medications or medical treatments are to take place in school without his /her approval.

ACCESS TO THE SCHOOL

All parents, guardians, students and visitors must enter the building through the main entrance. This is located at 145 E. Lathrop Street. All visitors must sign in at the office. Parents/visitors are not allowed to access their child's classroom through the library.

ALL STUDENTS WHO ARRIVE LATE OR LEAVE EARLY MUST REPORT TO THE SCHOOL OFFICE. A STUDENT WILL NOT BE RELEASED OUT OF CLASS WITHOUT A PASS OR PHONE CALL FROM THE OFFICE.

CONTROL OF CASUAL COMMUNICABLE DISEASES AND PESTS

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest such as lice.

Specific diseases include: diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the local and state health departments.

Any removal will only be for the contagious period as specified in the school's administrative guidelines.

CONTROL OF NON-CASUAL CONTACT COMMUNICABLE DISEASES

In the case of non-casual contact, communicable diseases, the school still has the obligation to protect the safety of the staff and students. In these cases, the person in question will have his/her status reviewed by a panel of resource people, including the county health department, to insure that the rights of the person affected and those in contact with that person are respected. The school seeks to keep students and staff persons in school unless there is evidence to warrant exclusion. Non-casual contact, communicable diseases include sexually transmitted diseases, AIDS (Acquired Immune Deficiency Syndrome), ARC-AIDS Related Complex, HIV (Human-immunodeficiency), Hepatitis B, and other diseases that may be specified by the State Board of Health.

HEAD LICE PROTOCOL

According to the Centers for Disease Control and Prevention, students diagnosed with live head lice do not need to be sent home early from school. They can go home at the end of the day, be treated, then return to class after appropriate treatment has begun. Nits may persist after treatment, but successful treatment should kill any crawling lice.

The following protocol will be followed:

1. All elementary students will be checked periodically.
2. Parents will be contacted if head lice or nits are found.
3. Parents are advised to treat student.

If a student does not have the necessary shots or waivers, the principal may remove the student or require compliance with a set deadline. This is for the safety of all students and in accordance with state law.

Immunization Requirements: Unless given a waiver, students must meet the following requirements:

Diphtheria, Tetanus, Pertussis - Four (4) or more doses of DTP or DT (pediatric) vaccine or any combination thereof, is the minimum acceptable. If a dose was not received on or after the fourth birthday, a booster is required prior to school entry. If five (5) years has passed since last dose of tetanus/diphtheria/acellular pertussis (Tdap) vaccine a booster is required.

Polio- Three (3) doses of any appropriate polio vaccine. If a dose was not received on or after the fourth birthday, a booster is required prior to school entry.

Measles, Mumps, Rubella - Two (2) doses of live measles virus vaccine after the 1st birthday at least thirty (30) days apart with one (1) of the doses given after fifteen (15) months of age. INJURY AND ILLNESS

All injuries must be reported to a teacher or the office. If the injury is minor, the student will be treated and may return back to class. If medical attention is required, the office will follow the school emergency procedures.

A student who becomes ill during the school day should request permission from a teacher to go to the office. The office will determine whether or not the students should remain in school or go home. No students will be released from school without

proper parental permission. If a parent or emergency contact person cannot be reached, the student must remain in school. A student must be fever free for 24 hours before returning to school.

WINTER WEATHER

When winter weather is severe, we will have the following winter guidelines for indoor recess: When the wind chill is zero or below, students will have indoor recess. The playground supervisor will make the decision on indoor/outdoor recess based on what is best for the students. If parents/guardians have a serious reason to keep their child indoors, the school will respect the urgency of the situation.

MEDICATION POLICY

1. All medication will be dispensed and stored through the elementary office per this medication policy.
 - **Parents need to have a letter on file for EACH school year, which gives the school permission to dispense medications.**
2. **Prescribed Medication** – Student's physician must provide written orders detailing diagnosis, dosage of medicine, times when medication should be administered and telephone number where the physician can be contacted.

SPECIAL SERVICES

BUS TRANSPORTATION

We ask that when filling out the Transportation Pick-Up/Drop-Off Location Form at the beginning of the year, or when making changes during the school year, that you choose only one place on the form for morning pickup and one for the afternoon drop off. Your child may be picked up at one location (home or sitter) and dropped at another location, but it must be the same place ALL week.

If you do need to make changes during the year, we do ask for 48 hours notice of the change. NO CHANGES should be made after 2:00 p.m. for the ride home, even in an emergency. In that case, you should meet the child at the normal drop location or call the office and pick up there.

Last of all, we do not encourage students to ride home with other students, except in an extreme emergency. We run an efficient bus system, so our buses are generally filled. If you have an emergency, please call us ASAP and make sure you talk to someone in the Transportation department directly, and also call the building. We would rather have two notes to the driver(s) involved to make sure all students are where they are suppose to be.

Please go over this information and the bus rules with your child. We are looking forward to having a safe school year. If we can be of any assistance, please call or email.

Mark Metts, Transportation Supervisor
Phone: 231-873-4850 ext. 3300 Email: mmetts@walkerville.k12.mi.us

The school has the responsibility to provide careful supervision for children while they are under the authority of the school.

The following regulations are established to afford this supervision and to provide the safest possible situations for students who ride buses. We would like to ask for your cooperation in encouraging your child to follow these regulations.

1. Follow your bus drivers instructions.
2. Be courteous to others.
3. Stay in your seat while the bus is moving.
4. Keep your heads, hands, and arms inside the bus windows.
5. No fighting.
6. No swearing.
7. Talk quietly.
8. Keep the bus clean.
9. No eating on the bus.
10. Students residing within the village limits will not be allowed to ride the bus. Exception: Preschool and Kindergarten age students residing within the village limits will be allowed to ride the bus.

It is required that parents/guardians of preschool and kindergarten students must be seen at their drop off in order for the child to be let off the bus. If a parent is not visible to the bus driver, the child will be brought back to the elementary school.

Violations of the above regulations may result in pupils being denied the privilege of riding the bus. In addition the consequences outlined in the student discipline code will be followed.

LIBRARY SERVICES

The school library is a valuable center for study and research. All Board of Education regulations regarding student behavior and conduct apply to library use.

Library materials may be borrowed for two weeks, such as books, recordings, slides, etc. All circulating materials may be renewed on an indefinite amount of time unless someone else is requesting the materials. Some materials are placed on reserve to restrict the time limit of circulation so that more students can benefit from materials.

Both current and back issues of periodicals are available on request for the use in the library or in the classroom. Periodicals and reference materials may not be taken out of the school.

The librarian will make every effort to borrow or purchase materials not presently owned by the school if the students or teachers for class work need the items concerned. All materials requested must meet the Walkerville Public School Library selection policy and standards.

WORK PERMITS

A student seeking work is required to have the firm offer of employment prior to requesting a work permit. Work permits for minors are issued in the high school office on the authority of the principal. The principal is responsible by state law to revoke work permits in all cases where, in his or her opinion, either the student's health or his school attendance is affected by the work. In all such cases, the parents will be notified by letter prior to revoking the permit to afford the student an opportunity to improve his position. Students must be between the ages of 14 and 18 and also must present proof of their birth date to the principal or his / her designee before issuance of the permit.

WALKERVILLE PUBLIC SCHOOLS ATHLETIC POLICY

PHILOSOPHY

The philosophy of Athletics at Walkerville Public Schools must parallel those of our high educational standards. The emphasis must be on producing quality students first and athletes second. - C. Changes of schedule, cancellation, or make up dates will be the sole responsibility of the Athletic Director.

SNOW DAY OR BAD WEATHER

- A. If school is canceled before the school day begins: practices will not be held any sooner than noon. It is the coaches' responsibility to work with the administration in setting up an approved alternate snow day practice schedule. When several days are called off in a row because of unplowed side roads, and the main roads are accessible, the administration will use their judgment in allowing earlier practice times for more efficient use of gym space. Attendance at practice shall not be made mandatory for anyone involved in a sport.

- C. Middle School: If school is closed early due to weather conditions, all practices and contests for middle school are automatically canceled for the remainder of the day.

If they are not in attendance by that time, they must attend practice/game but may not participate. If an athlete leaves school or does not attend class(es) without proper authorization (a skip) he/she will not be allowed to practice that day or be involved in competition.
- C. Prearranged absences approved by the Principal/Athletic Director ahead of time (such as doctor appointments, funerals) or emergency situations will be an exception to this policy.
- D. An out of school suspension on the day of competition or practice will cause an athlete to miss the competition or practice. A warning eligibility check will take place on every third Monday and a final Eligibility Report will be pulled on the third Friday. Any student receiving a failing grade on the "Eligibility Report" will be academically ineligible for a minimum of one week (starting on the following Monday through Sunday) and will continue until all grades are passing. The AD and student will verify eligibility status.
- B. If the athlete is academically ineligible, the coach will determine if the athlete will be allowed to practice or use the time to improve coursework.
- C. Penalties for missed practices due to the detention policies of the student handbook will be at the discretion of the coach and/or athletic director.
- D. MHSAA rules state that any athlete who fails 60% or more of their classes during one semester, becomes ineligible for the next school semester sports season.
- E. Any student who voluntarily quits any athletic team will serve a penalty of 20% season suspension in the next athletic sport they participate in. (Athletes who do not attend a state playoff ie: districts, regionals, etc. will not be recognized on the team and forfeit any awards due to them.)

SPORTSMANSHIP

Rules of good sportsmanship should be observed whether we are at home or guests at another school. Others judge our school and us by our conduct at athletic events. Cheer our teams to victory but accept defeat in a gracious manner.

BUS AND AWAY GAME RULES

- A. In general, student spectators are not allowed to ride team buses. Students are encouraged to become part of a team by providing services as a manager or statistician. No student spectator will be allowed out of class to ride a team bus that is leaving prior to dismissal of school.
- B. Team members bus or approved transportation will be designated by the coach. Team members or student spectators may leave only under the following conditions:
 - a. They may leave with their parent/legal guardian provided the parent/legal guardian has notified the coach.

- b. The parent/legal guardian may give permission for their student to ride home with a pre-arranged person. To do so they must *speak directly with the Coach & Athletic Director* PRIOR to the bus leaving the school for a scheduled contest.
- c. Failure on the part of the athlete to abide by this rule will result immediately in a two game suspension from that sport or the next sport in which the student participates. If a student spectator fails to abide by this rule, the student will be denied the privilege of riding the bus as a spectator for the remainder of the season and a written referral will be sent home. Any further violations of this rule by an athlete will result in a suspension from all sports for the remainder of the school year.
- C. Separate seating may be made for teams and spectators.
- D. Team members and spectators who have ridden the bus may not leave the facility without prior permission from the coach. Failure to abide by this rule will result immediately in a two game suspension from that sport or the next sport in which the student participates. Any further violations of this rule by an athlete or spectator will result in suspension from all sports for the remainder of the school year.
- E. Students are to conduct themselves in a safe cooperative manner on the bus. They are to remain in their seats and keep their voices to a normal tone. Foul and disrespectful language will not be tolerated. Failure to cooperate with the bus driver may result in further disciplinary action.

GYM CARE

- A. The gym is used for athletic teams and their practices. Any misuse of the gym will result in the loss of those privileges as determined by the Athletic Director and Administration.
- B. Lockers and locks are available to the athletes. The athlete is responsible for keeping his/her locker locked at all times and to turn in the locks at the end of the season (If applicable).

UNDERCLASSMEN RULE

A committee composed of the Athletic Director, Varsity Coach, and Parent will determine if a underclassmen will be placed on a Varsity team. It will take a majority vote of the committee.

The parent still has the right to not have their underclassmen on the varsity team. If this is their wish, after consultation with the committee, it will be honored.

SPECIAL POINTS OF ATHLETIC EMPHASIS

- A. Through local Board of Education approval, the Walkerville Public Schools is a willing member of the Michigan High School Athletic Association and therefore shall conform to all policies and regulations of said organizations.
- B. The Walkerville administration reserves the right to follow proper due process procedures for all cases not specifically covered by these policies.
- C. All coaches must comply with the published policies.
- D. Walkerville Athletic Policy shall take precedence over rules of individual coaches.
- E. In case of athletic suspension, the athlete must practice with the team, be in attendance at contests but not in uniform, shall remain with the team for the entire contest, and abide by all team regulations. The only exception to this rule will be if the coach, athletic director and parents (prior to the practice or contest) agree that their child should not attend practice or contests for disciplinary actions at home.
- F. All suspensions begin immediately after the offense and will run consecutive contests and or calendar months. When an athlete must be suspended for a percentage of participations, that percentage will be playing dates not number of contests. Cheerleading competitions will be considered as a playing date.
- G. No athletic penalties shall run concurrently. For example, if the second offense occurs during the first suspension, the second penalty will begin at the conclusion of the first penalty.

ENFORCEMENT OF ALCOHOL, DRUG AND TOBACCO POLICY

To set a good example for the students and community of Walkerville, it is the responsibility of the athlete to abstain from involvement with alcohol, drugs or tobacco.

The consequences listed on the following pages for enforcement of alcohol, drug and tobacco policies is cumulative. This means that the offenses will carry over into the next academic year. For example, if a student is caught in violation of possession of alcohol as a seventh grader that would be his/her first offense. If the same individual is in violation of possession of alcohol as an eight grader, it is considered his second offense and said punishment would be enforced, and so on.

Training violations are in three (3) categories: (1) Use or possession of alcohol or any unauthorized and/or illegal drug or volatile chemical; (2) use or possession of tobacco products; (3) Conviction or confession of a misdemeanor or felony crime. WALKERVILLE PUBLIC SCHOOLS **CHROMEBOOK/TABLET POLICY AND HANDBOOK**

The policies, procedures, and information within this document apply to all Chromebooks and tablets used at Walkerville Public Schools by students, staff, or guests including any other device considered by the Administration to fall under this policy.

Teachers may set additional requirements for Chromebook/tablet use in their classroom.

TAKING CARE OF YOUR CHROMEBOOK/TABLET:

Students are responsible for the general care of the Chromebook/Tablet which they have been issued by the school. Chromebook/Tablets that are broken or fail to work properly must be reported to a teacher or reported to hd@k12eta.org. If a loaner Chromebook/tablet is warranted, one will be issued to the student until their Chromebook/tablet can be repaired or replaced.

General Precautions:

- No food or drink is allowed next to your Chromebook/tablet/tablets while it is in use.
- Cords, cables, and removable storage devices must be inserted carefully into the Chromebook/tablet.
- Students should never carry their Chromebook/tablet while the screen is open unless directed to do so by a teacher.
- Chromebook/tablets should be shut down when not in use to conserve battery life.
- Chromebook/tablets should never be shoved into a locker or wedged into a book bag as this may break the screen.
- Do not expose your Chromebook/tablet to extreme temperature or direct sunlight for extended periods of time. Extreme heat or cold may cause damage to the laptop.
- Always bring your laptop to room temperature prior to turning it on.

USING YOUR CHROMEBOOK/TABLET

At School:

The Chromebook/tablet is intended for use at school each and every day. In addition to teacher expectations for Chromebook/tablet use, school messages, announcements, calendars, academic handbooks, student handbooks and schedules may be accessed using the Chromebook/tablet. Students must be responsible for bringing their Chromebook/tablet to all classes, unless specifically advised not to do so by their teacher.

At Home:

All students are required to take their Chromebook/tablet home each night throughout the school year for charging. *Chromebook/tablets must be brought to school each day in a fully charged condition.* Students need to charge their Chromebook/tablets each evening. If students leave their Chromebook/tablet at home, they must immediately phone parents to bring the Chromebook/tablet to school. Repeat violations of this policy will result in referral to administration and possible disciplinary action.

It is recommended that students not carry the AC Adapter power cord (charger) to school. If fully charged at home, the battery will last throughout the day.

Sound:

Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Headphones may be used with teacher permission.

Printing:

At School: Printing functionality will not be available at school. Teaching strategies will facilitate digital copies of homework.

At Home: The Chromebook/tablet will not support a physical printer connection. Instead, users may print to their home printers using the Google Cloud Print service. A wireless home network is required for this. <http://google.com/cloudprint>

Monitoring of Use:

In compliance with state and federal regulations, the district utilizes CIPA (Children’s Internet Protection Act) compliant filtering. The district also uses third party solutions to monitor content for threats, violence, illegal activity, etc. Notifications come to district tech support and administration regarding suspicious activity and, when concerns are identified, disciplinary action and/or parent contact may occur. Students should be aware that there should be no expectation of privacy when using the district network or equipment.

Procedure for Restoring the Chrome OS:

If technical difficulties occur, technical support staff will use the “5-minute” rule. If the problem cannot be fixed in 5 minutes, the Chromebook/tablet will be restored to factory defaults. In a One-to-One environment it is impossible for support staff to maintain a working environment for all if too much time is spent fixing every glitch that may arise. Restoring the Chrome OS will restore the device to the state in which the user originally received it. All student created files stored on an external miniSD card, USB flash drive, or Google Drive will be intact after the operating system is restored. All files saved on the Chromebook/tablet that have been synced to Google Drive will be intact. However, all other data (music, photos, documents) *stored on internal memory that has NOT been synced* will not be restored unless the student requests that an attempt be made to salvage it.

Protecting & Storing Your Chromebook/tablet:

Chromebook/tablet Identification:

Chromebook/tablets will be labeled in the manner specified by the school. Chromebook/tablets can be identified in the following ways:

- Record of serial number and Walkerville Public Schools asset tag
- Individual’s Google Account username

Under no circumstances are students to modify, remove, or destroy identification labels.

Storing Your Chromebook/tablet:

When students are not monitoring their Chromebook/tablet, they should be stored in their lockers (grades 6-12) with the lock securely fastened. Nothing should be placed on top of the Chromebook/tablet, when stored in the locker. Students need to take their Chromebook/tablet home with them every night. The Chromebook/tablet is not to be stored in student lockers or anywhere else at school outside of school hours. The Chromebook/tablet should be charged fully each night at the student’s home. Chromebook/tablets should never be stored in a vehicle.

Repairing or Replacing Your Chromebook/tablet:

Chromebook/tablets Undergoing Repair:

- Loaner Chromebook/tablets may be issued to students when they leave their Chromebook/tablet for repair at the Tech Office.
- If repair is needed due to malicious damage or any other misuse, the school may refuse to provide a loaner Chromebook/tablet.
- Repaired Chromebook/tablets will end up with the original factory image as first received. It is important that students keep their school data synced to cloud drives so documents and class projects will not be lost. Personal information that cannot be replaced should be kept at home on an external storage device.
- Students and parents will be charged for Chromebook/tablet damage that is a result of misuse or abusive handling. The annual insurance plan is to be used for accidental damage. Parents will be billed for Dell parts and labor.

Chromebook/Tablet Device Insurance

WPS has insurance that covers each device. However, in the event that a chromebook/tablet is damaged and needs repair Walkerville Public Schools will charge a \$20.00 deductible. Each claim covered by insurance will be assessed an incremental deductible within the current school year. The first claim deductible will be \$20.00 with the deductible increasing by \$20.00 each time a claim is made within the current school year. If a student withdraws from Walkerville Public Schools School and then re-enrolls later in the current school year, the coverage purchased at the student's initial registration will be reinstated along with the number of claims made prior to withdrawal.

Annual Premium Due at Registration	Deductible Claim #1	Deductible Claim #2	Deductible Claim #3
\$25 per device (\$75 family max) WAIVED	\$20	\$40	\$60

Lost or Intentionally Damaged Device and Accessories:

A Chromebook/tablet or any of its accessories that are lost (whereabouts unknown) or intentionally damaged is the responsibility of the student and parent involved in the loss of property. Device Insurance outlined in the previous section will not apply when it is determined that the device was lost, or damaged as the result of intentional or careless use. The user will not be given another device or accessory to use until the replacement cost of the lost/damaged device or accessory is paid to the school.

Chromebook/Tablet Technical Support:

Students should report any breach of password, or Chromebook/Tablet operation issues by submitting an email to help@k12eta.org. Young students should report issues to their classroom teacher.

TECHNOLOGY ACCEPTABLE USE POLICY:

As a monitored telecommunications network, no stated or implied guarantee is made regarding the privacy of electronic mail (e-mail) or any other telecommunications transmitted or received over this network. Account owners are ultimately responsible for all activity under their account (their user name and password).

F. The District reserves the right to log computer use and to monitor fileserver space utilization by users. The Student will diligently delete personal files and assignments from their home directory to avoid excessive use of the network server disk space. The District reserves the right to remove a user account on the Network to prevent further unauthorized activity.

Without such permission, the Student will be liable to pay costs/fees for any file, shareware, or software transferred, whether intentional or accidental. For each file received through a file transfer, the Student is responsible for assuring that the file is checked with a virus-detection program before opening the file for use. Should the Student transfer a file, shareware or software which infects the Network with a virus and causes damage, the student may be held liable for any and all repair costs to make the Network once again fully operational and may be subject to other disciplinary measures as determined by the District.

The Children's Internet Protection Act (CIPA) is a federal law enacted by Congress to address concerns about access to offensive content over the Internet on school and library computers. CIPA imposes certain types of requirements on any school or library that receives funding for Internet access or internal connections from the E-rate program – a program that makes certain communications technology more affordable for eligible schools and libraries. In early 2001, the FCC issued rules implementing CIPA. More recently, Congress enacted additional protections for children using the Internet. Walkerville Public Schools follows these guidelines by implementing content filter that is renewed annually from CIPAFilter 700 16th Ave. East Moline, IL 61244.
